

National Technical Museum

New collections in technical museum are ready to be seen! Come and look over all those amazing exhibits. For the up-to-date information and to book tickets call +420 220 399 111.

This museum is a cavernous hall filled with gleaming old **planes** and **cars**. The private **railway** carriage of Austro-Hungarian Archduke Franz Ferdinand can be found on the main floor. The balconies are stuffed with **motorcycles** and **bicycles**. Nearby there is also a realistic reconstruction **coal mine**, a great selection of **cameras** and a fascinating exhibition on timekeeping technology throughout the ages.

The collection of **tape recorders** shows the development of magnetic recording of sound from the oldest wire phones to the most modern tape recorders of both Czechoslovak and foreign provenance. You will obtain a new dimension of knowledge how these branches were evolving for example: sugar, brewing, distilling, milling and other fields of **food industry**.

How to **get there** - the nearest connection by the underground is the station Hradcanska on the line A or Vltavska on the line C. From these underground stations should be used trams no.1, 8, 15, 25 or 26 to the tram stop Letenske namesti.

Opening hours are from 9:00 to 18:00.

Admission is Kc70 for adults; Kc30 for students and children up to 18 years.
